

Starfighter™ LC

Product Description

The Starfighter™ LC is ideal for low count installations. Its designed to accommodate both patching and splicing applications. It has the capability to house up to (3) 24 fiber splice trays which give it a 72 fiber count maximum. Interchangeable grommets allow it to accommodate up to 12 drop installations as well. Mounting capabilities include wall, pole, aerial and pedestal.

Features & Benefits

(4) Non-captive entry ports

Compact size allows installations in a small footprint

Interchangeable grommets allow for a wide range of flat or round cables to be installed

Designed for aerial, pedestal & wall mounts

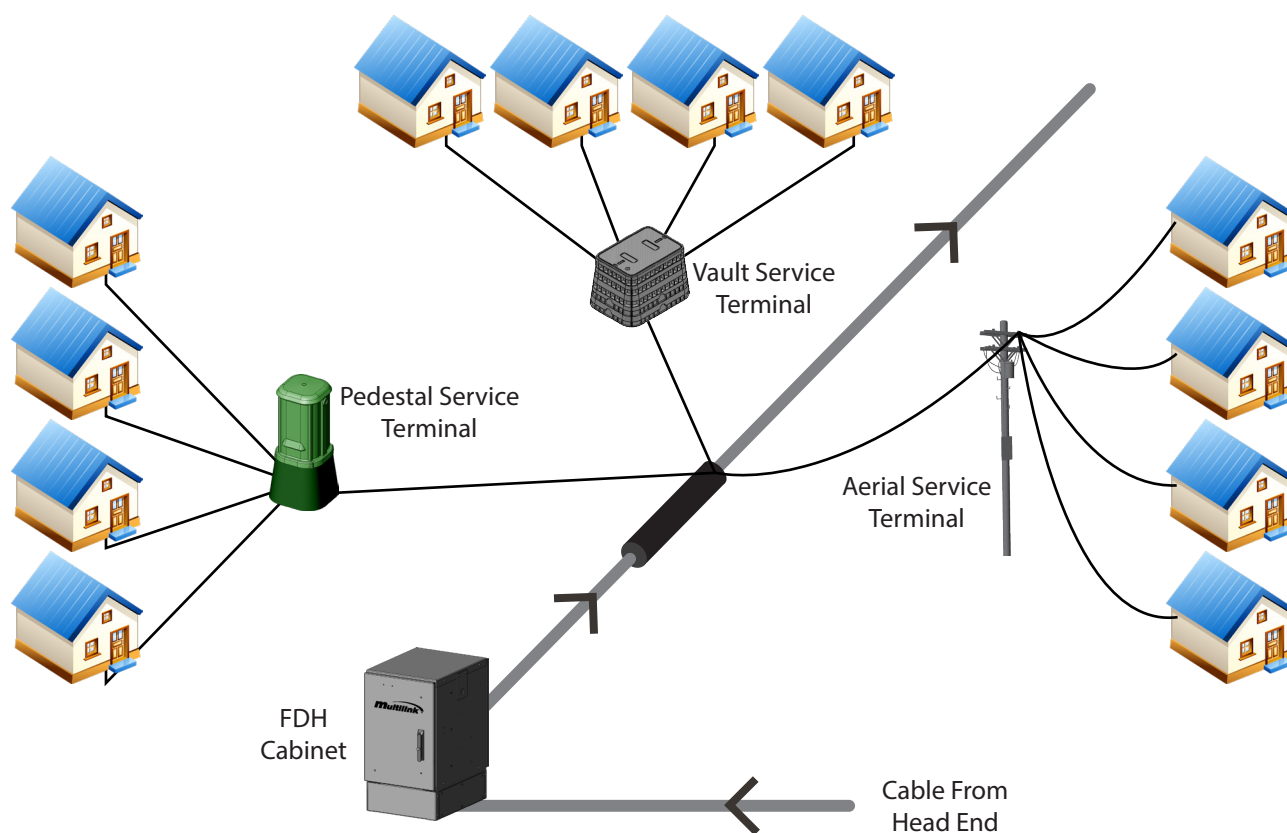

Quick and easy installation; no special tools required

Factory installed o-ring and fastening bolts allow for re-entry and ensure a compressed seal

Specifications

Parameter	Specification
Dimensions:	5.88"H x 16.61"W x 2.86"D
Weight:	3.1 lbs. (Without incoming fiber)
Input Ports:	(4) Non-Captive Interchangeable Grommets
Splice Tray Capacity:	(3) for a total of 72 single fusion splices
Mounting:	Integrated Pole and Wall, Aerial, Pedestal
Standards:	Tested in accordance to Telcordia GR-771-Core
Material:	UV Stabilized thermal engineering grade plastic
Enclosure Features:	Re-enterable & Compression Sealed
